LYON'S MAGNETIC POWDERS,

Will destroy Garden Insects, Cockroaches, Bed-Bugs, Fleas, Ants, Moths, and all pests of the vermin kind. The importance of a reliable article of this kind is inestimable. In warm weather all nature teems with these annoying foes. This powder is the only article ever discovered which will exterminate them. A company of botanists, ferns of Asia, observed that all insects lighting upon a certain kind of plant very soon dropped dead. This fact was made use of to guard their night camps from the intruders. Quantities of the plant was brought home by Mr. E. Lyon, TURPENTINE! TURPENTINE!! and found a positive insect destroyer in every experiment. It is simply a powdered leaf, chemically prepared to resist the effect of age and climate. Medals and Letters Patent have been obtained from the governments of England, France, Germany and Russia, from the World's Fair, and numerous medical and horticultural colleges and societies. | FARMS. Letter from the President of the United States.

"EXECUTIVE MANSION, WASHINGTON, 31st Jan. 1854. "MR. EMANUEL LYON.—Dear Sir: I have the pleasure to London, have awarded you a Medal and Certificate for the great value of your Magnetic Powders, &c.

"MILLARD FILLMORE, Chairman." The above was accompanied by a certificate of Prince Albert. IT IS FREE FROM POISON.

NEW YORK, October 1st, 1858. MR. E. Lyon.-Dear Sir: We have analysed and tested your Magnetic Powders and find them perfectly harmless to mankind and domestic animals, but certain death when inhaled by bugs, ants and insects. JAMES F. CHILTON, M. D., Chemist.

LAURANCE REID, Prof. Chemistry, N. Y. Hospital. Mr. John L. Rome, Superintendant of the New York Hos says, "le has expelled all the bugs, ants, roaches, moths, &c., wi'l Lyon's Magnetic Powder, and finds it of mmense value.

Every gardner and housekeeper must have a direct interest in an article of this kind. Reference can be made to the Astor, St. Nicholas, and Metropolitan Hotels; to Judge Meigs, President of the American Institute; James Gordon Bennett, Gen. Winfield Scott, Cyrus W. Field, L. M. Pease, Davis, Esq., or to the undersigned, Cottage Home, I nooln of the Five Points Mission. &c., &c. Judge Meigs says, County, N. C. This discovery of Prof. Lyon is of national importance. The Farmers' Club have tested it horoughly. It will destroy locusts, grasshoppers, ants, moths, bugs, and all vermin. Garden plants can be preserved, and houses made pure." Arrangements are now made through Messrs. BARNES & PARK, of New York to have it sold throughout the world. Many worthless imitations are advertised. Be cautious! "New York, Nov. 8th, 1858.

"In retiring from business, I have sold all my Insect Powders and Pills, Letters Paptent, and the secrets pertaining thereto, to Messis, Barnes & Park. The Powder is a discovery made by myself, and brought from the interior of or twenty acres of good river land, and an excellent low-Asia, and is unknown to any other persons. The genuine land Pasture for stock. The uplands are level, and an inex and effective article is put up in tin canisters, and will continue to bear my name. 'Tis Lyon's Powder kills insects in a trice,

But Lyon's Pills are mixed for rats and mice. zes, 50 cents and \$1 0 Follow directions. Use freely and thoroughly.

THE OLD DOMINION COFFEE POT. TITHIS NEW COFFEE POT, for which a patent has been issued, possess this advantage over all others: It is well known that, in the ordinary way of boiling coffee, the fine aroma, which gives to the coffee its most delicious flavor, passes off with the vapor, and the longer it is boiled, the more bitter and unpalatable, and unhealthy it becomes; hence a resort to the French Strainer, which gives a rawtasting beverage. "THE OLD DOMINION COFFEE ' entirely prevents the escape of aroma. One-third less coffee is required, and the full flavor of the berry re-tained. interesting document not known by his family to have been in existence, and the like of which is a rarity, even nished, by the clerk of the county court, with a fair copy in historical collections—the original grant of land from the proprietors of East Jersey in the reign of William III. dated January 26, 1696. It was issued to John ished, by the clerk of the county court, with a fair copy of the returns made by the last preceding board of valuation of the assessment of real estate in his district, and with the district where the owner or lister resides; but if the necessary number of printed forms of tax bills, furnished

An Act entitled "Revenue." Sec. 1. Be it enacted by the General Assembly of the State of North Carolina, and it is hereby enacted by the authority of the same, That at the first Court of Pleas and Quarter Sessions for each county, held after the first day of July, 1859, and at the same term every four years thereafter, the court shall appoint one justice of the peace, and two freeholders, men of skill and probity, for each captain's district in the county, who shall be styled the district board of valuation of their respective districts. The clerk shall issue a notice of his appointment, to each man, within ten days, and the sheriff shall serve the same within twenty days after

required appointments, or fill the vacancy.

Sec. 2. This district board of valuation shall, as near as practicable, ascertain the cash value of every tract of land. or other real estate, with the improvements thereon, situate in their district, either by viewing the premises or otherwi e. SEC. 3. In estimating the value, the board may call and wear witnesses to testify thereto, and they shall take into the estimate any fishery appurtenant thereto or used with the land; also all mines of metal, stone or coal, other material discovered, or supposed to exist, whereby the price of land is enhanced; also, all machinery and fixtures for manufacturing or mechanical purposes, that have been erected or used on the land. When a tract of land shall be in one or more districts, the board of the district in which the owner resides, shall ascertain the value of the whole tract;

of the district in which the larger part may lie, shall ascertain the value of the whole. SEC. 4. The owner of the land, or (if he be a non-resident.) his agent shall furnish the district board with a list, including land entries, setting forth the separate tracts, and also the several contiguous bodies or tracts of land owned by him in the district, together with the names of the water courses, or other noted places on, or nearest to which they may be situated, and the number of acres in each separate tract or contiguous body of land.

SEC. 5. Town lots shall be listed separately, and each lot be numbered according to the plot of the town. Each separate body or tract of land, and each town lot shall be separately and distinctly valued and returned. Sec. 6. The district hoards shall, in each case, administer he following oath to the person furnishing the required

list: "You, A. B., do solemnly swear that the list, by you furnished, contains a full statement of every tract of land and town lot in this district, for the taxes of which you are person, either as guardian, attorney, agent or trustee, or in and belief, so help you God ' SEC. 7. If any person shall refuse to furnish the list required above, or to take the oath prescribed in the preceding secothers;" and being the same tract of land on which the late
